

Meet our New Massage therapists

Anita Euler

Anita is a Remedial Massage Therapist graduating from Australasian College of Natural Therapies in Sydney, New South Wales with a diploma of Remedial Massage in 2007. Since graduating Anita has undertaken further studies in the areas of Ear Candling, Manual Lymph Drainage, Decongestive Therapy and Hot Stone Therapy.

Anita is a passionate and dedicated therapist that uses manual therapy techniques including, Trigger Point, Myofascial Release, Cross Fibre-Friction, Stretches and Strengthening exercises to achieve better mobility, improve posture, release and reduce muscle tension/ injury and stress.

Manual Lymph Drainage is used by Anita to reduce fluid retention for pregnancy and sluggish Lymph systems as well as redirection of Lymph for post operative clients.

Michael Wong

Michael Wong has been trained in Traditional Chinese Arts since childhood. He was born into a Chinese Medicine family and has grown up absorbing the information around him. Michael is now completing his combined Bachelor degree of Applied Science (Chinese Medicine) and Human Biology at RMIT University. His passion in massage to assist people will be further enhanced by his studies in Chinese Acupuncture and Herbal Medicine

Musculoskeletal pains and problems are one of Michael's specialties. Michael will typically use modalities such as Relaxation massage, Deep tissue massage, Acupressure, Cupping, Gua Sha-Spooning, Chinese Dietary and Exercise Principles in his treatments

"I like to work on the body as a whole. My martial arts background and extensive anatomy studies gives me an in-depth knowledge of the human body. A unique contribution I can make is in teaching my patients simple exercises, which can help reduce stress and eliminate the chance of injuries" Michael Wong.

Massage special for August/September

1 hour massage
\$63.00

Normally \$70.00

**Does not include Hot Stone Therapy*

Do you have Private health care extras cover ?

If you do, you can now claim it back through the clinic

What does this mean – if you have private health care with the participating providers you only have to pay the gap for your treatment and we do the rest

For example: if you had basic extras cover with HBA and came in **August** for you massage with our current specials you would only pay * **\$39.00 for your massage**. If you came in for a ½ hour **Acupuncture** treatment you would only pay **\$24.00** or a **full Chinese medical treatment \$64.00**

** Please note: all health care funds are different some pay substantially more some pay less this is a standard rate from HBA*

** The above price on massage is for specials only, normally the gap would be \$46.00 for a 1 hour massage*
